

My dad taught me ~~how~~ to tie
my shoes on my own.
My dad and I were
so happy when I
tied my shoes for the first
time! My dad gave me a little
trick how to tie my shoes.
It was, "Make two bunny ears
then cross the bunny
ears then put one in the
little hole then pull the
bunny ears." It was a really
good trick. My dad is so
cool. I love him so
much.
